

Friendship Pact with Jesus

Jesus, my Divine Friend, my God, I promise:

1. I will take time to not only talk to You daily, but also to spend time in silence to listen to You.
2. I will actively look and thank You for Your blessings, big and small.
3. I promise that when I make mistakes, I will ask for Your forgiveness and make time for Confession. I understand that You are always willing to forgive me if I am truly sorry.
4. I promise to trust You and Your mercy in good times **and** in difficult times.
5. I know Your plans for me are better than anything I might choose. I will come to You for help and guidance often.
6. I will think and say words of love to You frequently.
7. I will remember that Your love for me is HUGE, bigger than I can imagine and that You are always, forever there to help, listen, and console me.
