## Days until I see Jesus at Mass!

Where I will be together with the whole Church, the people in my parish building, the people in other churches, and the people already in heaven. This is an amazing part of Mass because I will be so close to my loved ones who are already with Jesus in heaven!

## Days until I see Jesus at Mass!

Where I will hear the priest say, "Lift up your hearts." I like to raise both my hands high as I say back with my whole heart, "We lift them up to the Lord." If I had glasses that revealed the invisible, I would see myself rise up to heaven as if on an elevator!

## Days until I see Jesus at Mass!

When I get to hear God speak to me in the Gospel readings. Sometimes as I listen with all my attention, He has something special to tell me.

Jesus at Mass!**

**I look forward to when I get to kneel and join in joyful song with all the angels and saints in heaven: Holy, Holy, Holy! If I had glasses that revealed the invisible, the aisles and the air would be packed with angels and saints! I can picture that in my mind!**

**I can't wait to see Jesus in His Sacrament Clothes held up by the priest! I will then whisper words of love to Him as I look at Jesus who loves me with a huge love!**

Jesus at Mass!**

**When I feel amazement and awe that I actually hold the God of the Universe in my hand. I cannot wait to lovingly hold God in my hands and then have Him make my soul strong when I eat Him!**

## Day until I see Jesus at Mass!

**When I will eat the Bread of Life, Jesus, at Communion. I will ask Him to grow His love bigger and bigger in my soul so I can live a holy life here on earth. I imagine a heart shaped balloon full of Jesus' love growing larger and larger within me. It is incredible to think that I become a living Tabernacle with Jesus inside me!**

**When I watch my older siblings and parents, hold the God of the Universe in their hands. I will pray for the day when it is finally my turn to hold God in my very own hands!**
